

PROJECT NOAH NATIONAL MOTH WEEK 2013 DATA

Following the immense success of Project Noah's collaboration with National Moth Week during the event's first year, Project Noah participated in the second annual National Moth Week, which occurred from July 20, 2013 to July 28, 2013. Project Noah surpassed its goal of one-thousand moths spotted during National Moth Week with 1347 moths spotted. Spottings were submitted to Project Noah's Moths of the World mission. Data organization and presentation by Jacob Gorneau.

Moths of the World Mission for National Moth Week July 20, 2013 to July 28, 2013
